**STAFF'S SECOND DATA REQUEST TO  
SULPHUR SPRINGS VALLEY ELECTRIC COOPERATIVE  
DOCKET NOS. E-01933A-06-0806 AND E-01575A-06-0806**

**Subject:** The following data request questions pertain to the application In the matter of the Joint Application of Tucson Electric Power Company and Sulphur Springs Valley Electric Cooperative, Inc. for an order approving a Borderline Agreement.

STF X.2        Staff was advised that SSVEC plans to construct "short line extensions" to the Fort Huachuca property. However, no mention was made in the TEP-SSVEC joint application as to what will happen if TEP should decide to serve the customer at Fort Huachuca in the future. Nor does the joint application address if TEP will purchase from SSVEC any infrastructure (i.e. electric system lines or facilities) installed by the latter. If TEP decided to purchase any infrastructure from SSVEC and this infrastructure was compatible with TEP's electrical system, how will SSVEC be reimbursed? Please indicate costs and depreciation.
